## Who We Are

Best Friends Animal Hospital was established in September 1994. The goal was to provide a continuation of a 40 year old practice located in Richfield, MN known as the Cutler Animal Hospital

Dr. Nick Gatto, the owner and practicing veterinarian, completed his undergraduate studies at Colorado State and graduated from the University of Minnesota School of Veterinary Medicine in 1985.

He has spent his entire career in private practice beginning with a mix of large and small animal medicine in Morris, MN.

Dr. Gatto has been the owner of the Best Friends Animal Hospital since 1994.

Genya Metzen, DVM

## What We Do

Our mission is to provide quality veterinary services in a friendly, compassionate environment for the benefit of the patients, clients, and practice.

Our caring staff members have a great amount of animal experience and knowledge and are all dedicated to providing the best care for you and your pets.

Our technicians are qualified for nursing care, client education, dental cleaning, radiology, laboratory and anesthetic procedures.

We pride ourselves in our friendly staff, quality services, and our long lasting relationships with pets and their families.
